Cloud 9 Switzerland: quality cannabis products from Mother Nature

The cannabis plant is one of the most complex plants on Earth. At Cloud 9 we believe this plant is so important for the wellness of body, and for the maintenance of equilibrium in our daily lives.

For Cloud 9 it is not just a question of business, but it is also our mission. We believe that the use of natural and [high quality cannabis products](#) brings a real benefit in living a balanced lifestyle.

Why us?

[Cloud 9 Switzerland](#) brings a deep knowledge and broad professional experience to the Cannabis Health & Wellness business. Our passion and endeavours are dedicated to promoting a more natural and sustainable approach to life. Our values are applied through a strictly scientific approach to support the development of our brands and products for our customers and consumers who wish to improve their overall Quality of Life.

Our Products

We deliberately focus on value added products, products that represent the state of the art of quality cannabis products available today. We develop and produce cannabis based Nutraceuticals and Pharmaceuticals leveraging our close relationship we have with our consumers, medical community and the scientists we work with
